

# AboutBox

Displays the control's about box.

## Syntax

```
rv = Send_Message(Ctrl, "OLE.AboutBox")
```

## Remarks

Shows the control's about box, which contains Copyrights for SRP Computer Solutions, Inc. and information as to whom the control is registered.

## Example

```
// Show the about box  
rv = Send_Message(@Window:".OLE_CONTROL", "OLE.AboutBox")
```
