

# Version History

Version history for version 4.0 and above can be found on [ActiveX Version History](#).

## 3.0.2

- Added "Office 2013" Theme

## 3.0.1

- Added Border and BorderColors properties to all controls
- Added OnGotFocus, OnLostFocus, OnMouseEnter, and OnMouseExit events to all controls

*(Although not applicable to this control, these changes required new versions of all controls)*

## 3.0.0

- Updated to no longer require SRPShared.dll
