

ResizeColor

The color used to draw resize gripper.

Usage

```
Set_Property(OLECtrlEntID, "OLE.ResizeColor", Color)
```

Values

Color can be any [Color](#) value.

Remarks

If [AllowXPTheme](#) is turned off, then you can use this property to set the color used to draw the resize gripper to any valid [Color](#).

Example

```
// Use custom colors
Set_Property(@Window:".OLE_STATUSBAR", "OLE.AllowXPTheme", 0)
Set_Property(@Window:".OLE_STATUSBAR", "OLE.Background", "Blue")
Set_Property(@Window:".OLE_STATUSBAR", "OLE.ResizeGripper", "White")
```
