

DBW_AUTO_SHUTDOWN

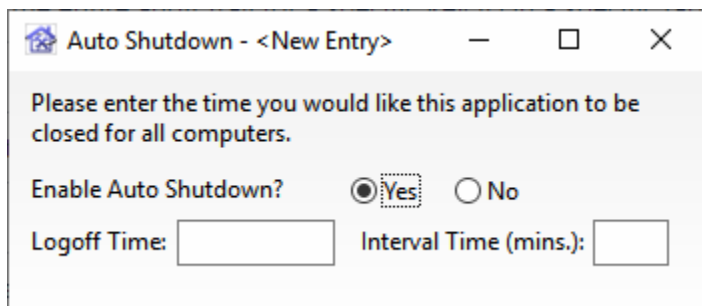

Description

Enables the auto-shutdown feature for application maintenance.

Type

Utility window.

Screenshot

The screenshot shows a Windows-style dialog box titled "Auto Shutdown - <New Entry>". The dialog has a standard title bar with minimize, maximize, and close buttons. The main content area has a light gray background and contains the following elements:

- A message: "Please enter the time you would like this application to be closed for all computers."
- A label "Enable Auto Shutdown?" followed by two radio buttons. The "Yes" radio button is selected and has a dotted border, while the "No" radio button is unselected.
- Two text input fields: "Logoff Time:" followed by an empty text box, and "Interval Time (mins.):" followed by an empty text box.
