Comments

Ensure that you pass a valid interface pointer to this method otherwise you may cause your application to crash. For more details on the IUnknown interface please see the Microsoft documentation on COM and OLE programming.

Example

```
// Load a OLE Picture object
bmpFile = ".\bmps\somepic.bmp"
pPicture = Utility( "LOAD_PICTURE", bmpFile )
// Do something with the picture object
...
// Call it's release method
call Utility( "IUNKNOWN_RELEASE", pPicture )
```
