

SRP_Get_Utils_Ver

Gets the current version of SRP Utilities.

Added in 2.1.10

Syntax

```
Result = SRP_Get_Utils_Ver()
```

Returns

The current version of SRP Utilities.

Remarks

The SRP_Get_Utils_Ver method returns the current version of SRP Utilities. Specifically, it gets the FILEVERSION property of SRPUtility.dll.

Example

```
// Get the current version of SRP Utilities
Version = SRP_Get_Utils_Ver()
```
